L&T IDPL wins Dun & Bradstreet (D&B) Infra awards 2013

L&T IDPL has won the Dun & Bradstreet (D&B) Infra awards 2013, for the third consecutive year at the D&B Infra Awards 2013, held in Mumbai on October 29, 2013.

L&T IDPL won the D&B Infra awards for it's project - Ahmedabad Maliya Tollway, which was selected as the best project under three categories namely:

- Road & Highways
- Public Private Partnership
- Environmental Sustainability

L&T Ahmedabad Maliya Tollway Limited (a SPV of L&T IDPL) has executed the project for augmentation of the 180 km stretch connecting Ahmedabad-Viramgam-Halvad-Maliya from a two lane road to a four lane divided road on BOT (Toll) basis.

This Gujarat State Road Development Corporation (GSRDC) project falls on Gujarat State Highway-17 connecting the fast developing Ahmedabad (Sarkhej) & Viramgam and on State Highway-7 connecting Viramgam to Maliya, in Gujarat.

The scope of this INR 14.97 billion project included four laning of the stretch, including bypasses at Sachana, Dhrangadhra and Halva.

Dun & Bradstreet, established in 1981 and listed on the the New York Stock Exchange, is the world's leading provider of business information, knowledge and insight. These awards felicitate leading infrastructure companies that have delivered exemplary performance.

D&B uses a proprietary model to select the award winners based on various qualitative and quantitative factors. Industry experts and eminent professionals from infrastructure and allied sectors formed the independent jury.
